

Good Hope High School

Vision

Aspires to be a catalyst for producing college and career ready students who exhibit pride in themselves, their school, and their community.

Mission

Good Hope High School - Educated, Prepared, Empowered Graduates

Beliefs

All students can learn, and all students can learn more than they currently do.

The role of the teacher is to create/design challenging and engaging learning opportunities for students.

Student academic success should be recognized and celebrated.

Achievement and Growth

Objectives

- Provide opportunities for learning and high expectations to support student achievement and growth.

Critical Initiatives

- Implement differentiated practices to increase student achievement:
- Enhance standards-based instruction through data collaboration, lesson development, and coaching opportunities.
- Utilize technology resources to enrich student engagement opportunities, and promote instructional support options.

Learning Supports

Objectives

- Provide professional learning opportunities that support a culture to increase student achievement.
- Implement a variety of safety measures to promote and support a safe learning environment.

Critical Initiatives

- Provide learning opportunities to increase educator effectiveness.
- Implement learning programs to increase student achievement.
- Promote a culture which supports highly engaged and effective students, teachers, staff, and leadership and initiates collaborative opportunities for stakeholder involvement.

Performance Management

Objectives

- Provide program and processes to manage data and evaluate the implementation of initiatives.

Critical Initiatives

- Utilize education resources to monitor student performance and direct teacher instruction.

Critical Initiatives

- Utilize resources to improve ACT scores.

Critical Initiatives

- Promote an environment that supports student safety.
